

Olympic Bird Fancier's  
Meeting Minutes  
March 12, 2017

Meeting called to order at 1:51 by president Sue Marshall.

Guests- Erica, Carla's friend

Treasures Report- None given

Membership- Dues are due. Pay Pam C. so there is no confusion on whether you're paid up or not.

Cate's- The club earned \$280 from the work party at Cate's house. We sold the flight for \$500, though after PayPal fees, it was about \$485. Will be used to reimburse the club for the money spent to vet Cate's birds.

Flight at Roberts- A few years back, Brenda arranged to have an aviary/flight to be donated to the club. It is sitting at Robert Z.s house. Brenda will organize a work party to go get it set up and asses the situation. We will either use it at the fair or sell at our May 13<sup>th</sup> expo.

Newsletter- Annie is still working on one. Been busy.

Garage Sale- Save your junk. OBF is planning on having a garage sale as a fundraiser to pay for the vet bills for Cate's birds. Date to be set in near future.

Sally- Sally needs help doing a few things around her farm for about a month. Needs someone for an hour or two about once a week. Annie, Sue, Brenda, and Darla volunteer to help.

Bird and Reptile Expo- It will be March 25<sup>th</sup> and 26<sup>th</sup>. Sue will be there to help. Annie will try to set up on the 24<sup>th</sup>. Anyone who wants to come is welcome.

Petpalooza- The deadline is April 5<sup>th</sup>. Held the weekend after our May expo. They are filling up fast, so if we want to sign up, we need to do it ASAP. Annie might be getting a job, schedule up in the air. She doesn't want to sign up for it if she can't do it, not enough people to cover if she can't make it. So we will skip it this year.

Logo- Michelle has been working on a new logo. She has talked to two people and their ideas couldn't be more opposite for what they want in a logo. So she made some samples to show us and wants us to do a survey so that she has a better idea what to do.

Meeting adjourned at 2:33.

Sue gives a presentation on chop.
